MONDAY EVENING, JULY 9.

QUARREL OVER A MAN'S HEAD.—It will be remembered by our readers that the late eminent Dr. W. Byrd Powell, of Covington, Ky., long known as a professor of physiology, phrenology, &c., &c., bequeathed his head to his old friend and pupil, Professor A. T. Keckeler, now his successor in the practice and teaching of these sciences. This singular legacy was forthwith claimed and taken possession of by Prof. Keckeler, who received it from the body of Dr. Powell on the 15th of May, under the anatomical direction of Dr. Curtis. The head was, as the property of Professor Keckeler, sonveyed to his residence, 152 Broadway, there be take its place among the large and ghastly cellection of crania, once the property of the living, great and good, and their antipodes of he human race, after undergoing certain mys terious preparations, for scientific purposes. The Professor, secure in the possession of his bequest, and busily engaged in the scientific examination thereof, suddenly finds himself in ε quandary, being informed that the Kentucky authorities are about to indict him for some unknown crime in carrying off the defauet doctor's cranium, and is threatened with legal process to compel his restoration to the grave of that portion of the late Dr. Powell, legally his, under the testator's will, but demanded by Kentucky as part of her sacred soil. How this will turn out remains to be seen .- Cincinnati Gazette.

THE

Mutual Life Ins. Co., OF NEW YORK.

ASSETS, over \$16,000,000.

To meet the choice of such present or future members as may prefer to have the amout insured paid in instalments to their widows or heirs, rather than in one sum, this Company is prepared to insert in its policies a clause agree ing that in lieu of the payment of the policy and profits in one sum, an equitable amount, to be determined by the Company, may be paid annually or semi-annually for any specified number of years, (say from five to twenty-five

EXAMPLE.-Suppose a policy of \$10,000, with additions amounting to \$5,000 more, should become payable by reason of the death of the person insured, the Company, in lieu of the payment of \$15,000 in one sum, would be able payment of \$15,000 in one sum, would be able to give (assuming interest as realized in the past) an annuity for ten years of over \$2,000 per annum, or for twenty years an annuity of over \$1,300 per annum.

This form of annuity will remove the anxiety which may exist in the minds of some policy holders lest the future provision that he was a second

holders lest the future provision they nave made for their fami ies should be ineffectual or transitory in its duration, either through unsafe investments, unwise expenditure, or other uncertainties incidental to contingent trusts.

It is not only free from the ordinary dangers of investment, but its punctual and full payment is secured by the large and solid cash re-sources and good faith of this institution, which thus to a certain extent, becomes the guardian or trustee of the survivors. Hence the provision may be considered, humanly speaking, beyond any adverse contingency.

All such deferred payments or annuities will share equitably in the profits or dividends

of the Company. This Company also issues Survivorship Annuities, which provide for survivors during the whole period of life, and Deferred Annuities, by which individuals may provide for themselves

in advanced age.

The undersigned begs to call the attention of those who desire to make provision for their families, to the advantages offered by the above MAGNIFICENT INSTITUTION. There is no way in which a small sum of money can be so profitably and securely invested, for such a purpose, as in a policy on your life. FORTY-FIVE CENTS a week will insure \$1,000 on the life of a man aged 30, and the payment of a single premium secures (and at once) a very much larger sum than the investment of the same amount could possibly do in the ordinary operations of trade. The following descriptions of Policies are issued by this Company, the premiums on which may be paid yearly, half-yearly, or quarterly, at the option of the party assured:

1st. LIFE POLICIES, for the whole term of life, payable, together with the dividend additions, after the death of the party assured, to the person entitled to receive the same. 2d. ENDOWMENT ASSURANCE POLICIES These are issued to persons desirous of making provision for advanced life, or any other purpose, and are payable, together with accrued dividends

on same, to the assured party, on attaining a certain age, say 40, 45, 50, 55, 60 or 65, or in case of his death before arriving at that age, to his heirs 3d. Endowment Policies for Children payable when a child attains the age of 18, 21 or 25, or upward, either with or without the return

of the total premium paid, in case the party assured does not attain the specified age. 4th. SURVIVORSHIP ANNUITY POLICIES, by which an insurer may secure to a surviving nomince, whether wife, parent, child, or friend, the enjoyment of a certain definite and permanent income for life, free alike from the dangers and

expenses of investing money and from dependence upon persons who may perhaps prove injudicious or adversely interested. All policies issued by this Company participate in the surplus, the whole of which will be ANNUALLY DIVIDED, in the most equitable manner, among the Policy-holders.

AMODERN MIRACLE! From old and young, from rich and poor, from high-born and lowly, comes the Universal Voice of Praise for HALL'S VEGETABLE

SICILIAN HAIR RENEWER. It is a perfect and miraculous article. Cures baldness. Makes hair grow. A better dressing than any "o.l" or "pomatum." Softens brash, dry and wiry hair into beautiful silken tresses. But, above all, the great wonder is the rapidity with which it restores GRAY HAIR TO ITS ORIGINAL COLOR.

Use it a few times, and PRESTO, CHANGE! the whitest and worst looking hair resumes its youthful beauty. It does not dye the hair, but strikes at the root and fills it with new life and coloring matter.

It will not take a long disagreeable trial to prove the truth of this matter. The first application will do good; you will see the natural color returning every day, and before you know it, the old, gray, discolored appearance of the hair will be gone, giving place to lustrous, sh'ining and beautiful locks.

Ask for Hall's Sicilian Hair Renewer; no other article is at all like it in effect. You will find it cheap to buy, pleasant to try, and sure to do y ou good. There are many imitations. Be sure you pro-
